

Feed The Frog Counting Game

You will need:

Printout of these sheets (you may find it helpful to laminate sheet 2), play dough, dice, pencil

Game 1

Roll the dice and record the number on the sheet. Using play dough, roll out the same number of 'bugs' to feed to the frog. Throw again and keep feeding until the frog is full up!

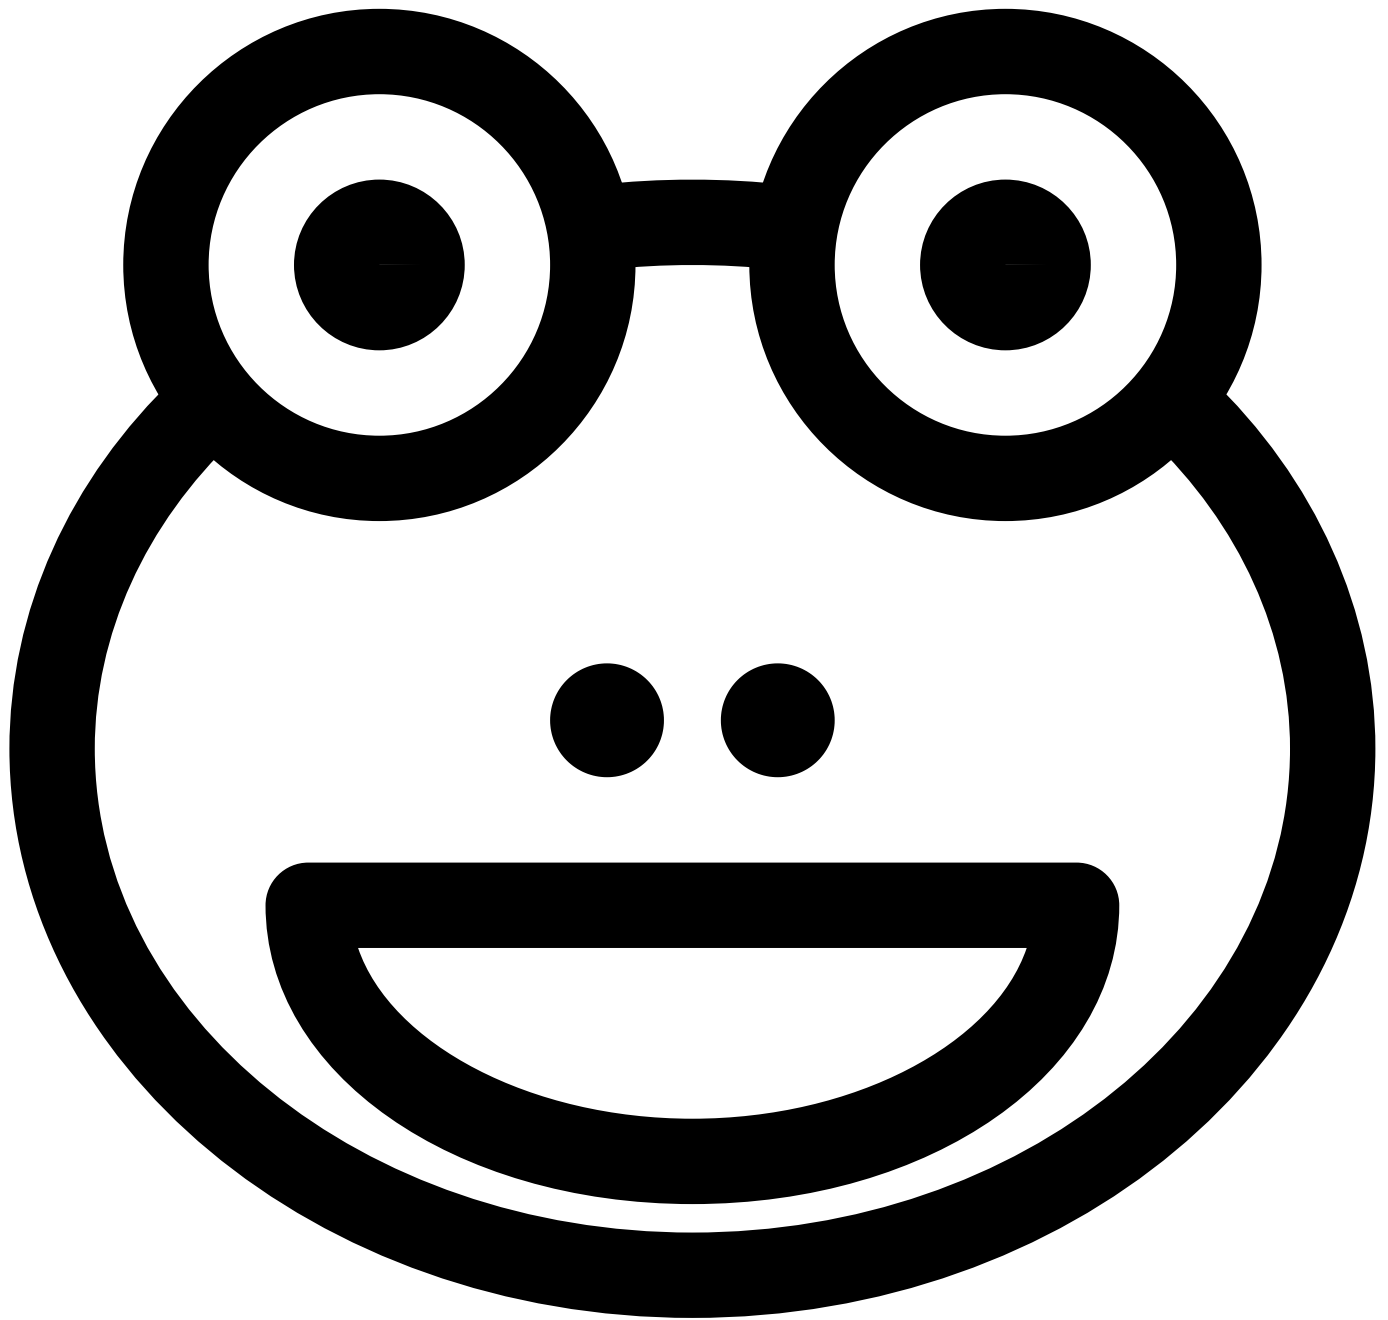

Game 2

Solve the addition and subtraction questions on the sheet provided to determine how many bugs to feed to the frog. Use rolled up balls of playdough for the 'bugs'.

Feed The Frog Game

Five Little Speckled Frogs

Print and laminate

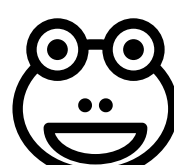

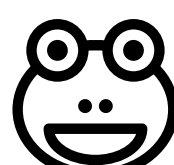

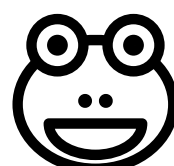

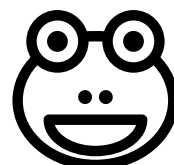

Game 1

Roll the dice and record the number in the spaces below. Using play dough, roll out the same number of 'bugs' to feed to the frog. Throw again and keep feeding until the frog is full up!

What number
did you throw?

Draw the dots
on the dice

Now go feed your frog
some tasty bugs!

1

2

3

4

5

6

Game 2

Solve the first sum to determine how many play dough 'bugs' to feed to the frog. Once the frog has been fed, move onto the next sum to start again.

$4 + 2 = \square$

$4 - 2 = \square$

$3 + 2 = \square$

$3 - 2 = \square$

$3 + 3 = \square$

$4 - 3 = \square$

$1 + 6 = \square$

$6 - 1 = \square$

$7 + 3 = \square$

$7 - 3 = \square$

$5 + 4 = \square$

$9 - 4 = \square$
