# Wheels on the Bus

## Car Journey Sing a long

**Bikes, cars, planes – what other modes of transport can you sing about?**

**We'll start you off...**

Sing along  
to the track

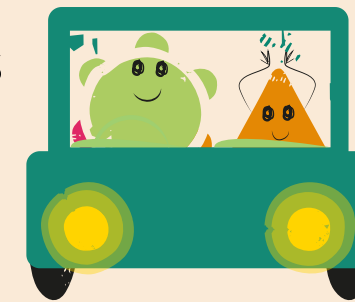

One for the parents and older children.

Try singing the lines backwards to the same tune. So for the first verse –

Round and round, bus the on wheels the

On wheels the, on wheels the  
Round and round, bus the on wheels the

Long day all.

The wheels on the bike spin round and round...

The bell on the bike rings ding ding ding...

The brakes on the bike screech Eek!...

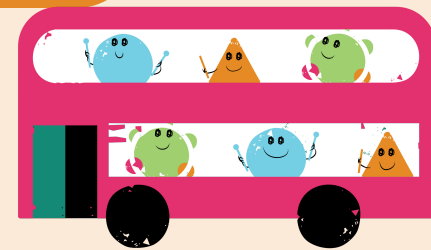

The wheels on the train go clickety clack...

The horn on the train wails 'Whoo!'

The conductor on the train says "Tickets please"...

## Brain Challenge

Try making circles on your tummy (round and round) and patting (beep beep) your head at the same time. Good one for the staff room:)

Using 'Magic lips' (singing in your head), only sing the sounds out loud.

For example 'The wipers on the bus go' – all sung in your head and then out loud swish swish swish and invite the children to follow you.

## Other songs about transport

Have you heard our other songs about transport –

# Wheels on the Bus

## Musical Activity with a Scrunchie/Squirble or lycra

## Percussion

Sing along  
to the track

## Rainy Day Game

Roll out a big piece of lining paper on the table and find the finger paints and paints and brushes.

As you sing the song, 'paint the actions' and make some beautiful pictures, going where your imagination and the music takes you.

Children sit in a circle, holding the scrunchie and pass it round to the beat as they sing the song. Bounce the lycra.

Remember you can use **dynamics**, singing **loudly and softly** and change the **tempo**, passing it **faster or slower**.

Invite the children to think of actions they can all do together for each verse.

For example:

open and shut = in and out

stand up, sit down = lift up and down

wipers swish = sway side to side

children wriggle = jiggle the scrunchie/lycra...

Place a selection of instruments on a table.

Play a different instrument for each thing that happens on the bus as you sing the song.

For example:

**open and shut = scraping a guiro**

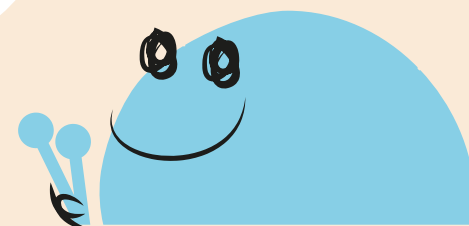

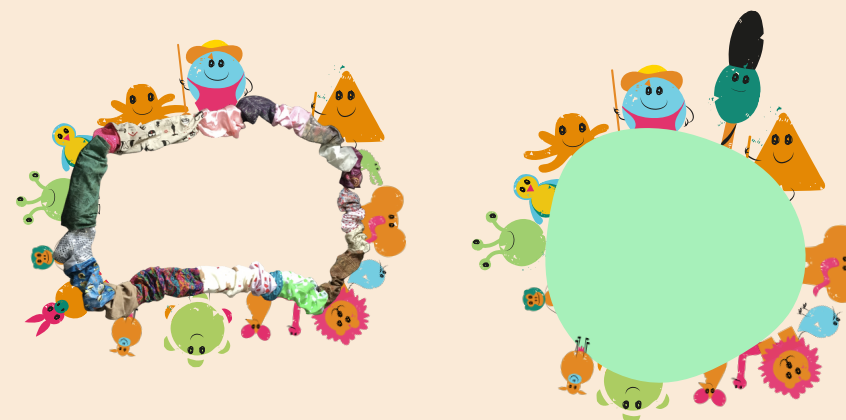

**stand up, sit down = swanee whistle**

**wipers swish = cabasa**

**children wriggle = maracas**

Play the different instruments again and ask the children which instrument was played for which action.

Sing the song again and invite children to play the different instruments in place of the action.
